

Application for Registration as a Professional Engineer with Practising Certificate

INTRODUCTION

A Professional Engineer with Practising Certificate is a person registered under subsection 10(D) of the Registration of Engineers (Amendment) Act 2015.

A Professional Engineer with Practising Certificate who is registered with the Board may:

- (1) practise, carry on business or take up employment which requires him to carry out or perform professional engineering services for designated engineering works subject to section 8;
- (2) be entitled to describe himself or hold himself out under any name, style or title –
 - (a) bearing the words "Professional Engineer with Practising Certificate" or the equivalent thereto in any other language;
 - (b) bearing any other word whatsoever in any language which may reasonably be construed to imply that he is a Professional Engineer with Practising Certificate; or
 - (c) using the abbreviation "Ir." before his name or the abbreviation "P.Eng." after his name or in any way in association with his name;
- (3) use or display any sign, board, card or other device representing or implying that he is a Professional Engineer;
- (4) be entitled to recover in any court any fee, charge, remuneration or other form of consideration for any professional engineering services rendered subject to section 8.
- (5) use the stamp as may be determined by the Board.
